

ASK YOUR SCHOOL

The sign on the door may not tell you the policy.

Are toilets and changing rooms single-sex in practice?

Some Brighton schools may operate facilities as mixed-sex without clearly telling parents or pupils.

Children should not discover the policy only when they need privacy.

Parents have a right to know.

Ask your school to confirm the policy in writing.

Need help asking your school?

More information, suggested questions and template letters are available via the web address and QR code below.
